

Who is

- *Electric Youth is a professional ensemble of 15 extraordinary young performers presenting tremendous family entertainment for audiences of ALL AGES. Their high level of talent delivers a “WOW” factor that brings audiences to their feet!*
- *Energized by an eight piece band of world class musicians, the audience can’t help but sing and dance along to classic hits presented with exciting choreography including Broadway, contemporary, pop favorites, classic rock, swing, funk and country music.*
- *Electric Youth is aptly described as “Up with People meets American Idol”.*
- *Electric Youth members are trained at FSPA, the School of the New England Center for the Performing Arts in Franklin, MA. (Ayla Brown, a top 12 finalist on American Idol trained at FSPA). Most performers rehearse six days a week in the multiple disciplines of music, dance and drama.*
